Wedding Feedback

“I just wanted to thank you and Piper’s for making our day amazing! You guys truly are awesome and I am so glad we got to have our day at Piper’s Opera House with you and Jen there to help us out!

You were so amazing in the process and always so flexible and responsive when I had questions, (even the silly ones). You always had a smile on your face when I was there no matter what was going on, and I truly appreciate everything you guys did for us.”
