- ❖ Private guided tours available upon request.

In Other News...

Restoration of windows for Piper's Opera House is 98% complete. Quotes are being obtained for repair of deteriorating brick on the outside of the building and for restoration of the doors.

Both pianos have been recently tuned;
Schafer upright and Chickering baby grand.
The upright piano is over 100 years old and still has the original hammers inside.
Rosanne Cash is considering using it for her upcoming show.
