

Storey County

Racism and discrimination are completely unacceptable. As a county, we stand for the rights of everyone, including fair and equal treatment, and quality of life. This includes our residents, business owners, and visitors in Storey County and Virginia City. We also support the right to freedom of expression as provided by the First Amendment of the Constitution. Since the 1800s, Virginia City has been a place where all are welcome. Going forward we want to continue that tradition by making sure everyone feels safe when walking down our boardwalks or shopping in our stores. Thank you for doing your part in keeping the true spirit of the Comstock alive.
