To Whom It May Concern:

My sister-in-law and I took a trip a couple of weeks ago and we decided to visit your famous little city. We were only going to stay a couple of nights but enjoyed it so much that we decided to stay a little longer.

We took several of your tours and shopped until we dropped. We have recommended your city as necessary for our friends to visit. Our only complaint is that you close too early. Since you are a tourist destination, we would suggest that your shops, and especially your restaurants should stay open at least until 8 PM during the tourist season. Unfortunately, we had to travel to Carson City for dinner because your restaurants closed at 6 PM. Fortunately, a nice gentleman from the Wild West Shoot-out, Spencer, advised us that there was one restaurant that did remain open until 8 PM. It was located within the RV Park, so we had our last dinner at that restaurant and IT WAS WONDERFUL! The owner was so nice, and he cooked us an unbelievably delicious meal.

We were extremely impressed with all your museums and the time that all of you have put in documenting the history of your wonderful city. The admission prices were very reasonable which gave us the opportunity to contribute to the donation boxes without feeling overwhelmed.

I am writing this letter because it was necessary to let you know how much your work is appreciated. I have been involved with our local Chamber of Commerce located in South Bend, WA (Oyster Capital of the World) so I realize how much it means to know that all your challenging work does not go unnoticed.

Sincerely,

Millie W. Clements
